OUR AMERICAN STORIES

with Lee Habeeb

National Radio Program
Media Kit 2020
Distributed by
American Private Radio
Our American Stories tells the stories of innovators in the arts, sports, business and music world, along with technology, science and the military. Listeners will hear stories of business leaders big and small, of what people of faith do in the public square, of leadership in sports and in your family, and the celebration of hard work and risk-taking, all presented in a nonpartisan manner. Our American Stories is heard across the U.S. on over 200 radio stations.

Host Lee Habeeb is a nationally syndicated columnist, host, producer and Chief Executive Officer for American Private Radio, which distributes Our American Stories.

Our American Stories is a celebration of our rich heritage through the power of storytelling.

On each broadcast we profile Americans from all walks of life, past and present, who have made a positive impact in American culture.
